Offense charged:

Possession of Stolen Mail; Bank Fraud; Aggravated Identity Theft

Date of Detention Hearing: April 13, 2006

The Court, having conducted a detention hearing pursuant to 18 U.S.C. § 3142(f), and based upon the factual findings and statement of reasons for detention hereafter set forth, finds that no condition or combination of conditions which defendant can meet will reasonably assure the appearance of defendant as required and the safety of other persons and the community.

FINDINGS OF FACT AND STATEMENT OF REASONS FOR DETENTION

(1) Defendant is charged with possessing stolen mail taken without authorization from

01 mailboxes, and using the stolen mail to use counterfeit identity documents and counterfeit checks.

02 (2) Defendant has a lengthy criminal record that includes forgery charges dating back  
03 to 1989. The defendant was on bond for two separate state forgery charges at the time of her  
04 arrest for the instant federal charges, and also had charges pending in Pierce County for identity  
05 theft, forgery, and controlled substance violations. According to the National Crime Information  
06 Center, the defendant is associated with eight alias names and two dates of birth. The defendant  
07 admits to current methamphetamine use.

08 (3) The defendant poses a risk of nonappearance due to an unstable residence,  
09 association with multiple alias forms of identification, pending state charges and illegal substance  
10 use. She poses a risk of danger due to her criminal history, and the similarity between the instant  
11 charges and multiple other state charges pending at the time of her arrest.

12 (4) There does not appear to be any condition or combination of conditions that will  
13 reasonably assure the defendant's appearance at future Court hearings while addressing the danger  
14 to other persons or the community.

15 It is therefore ORDERED:

16 (1) Defendant shall be detained pending trial and committed to the custody of the  
17 Attorney General for confinement in a correction facility separate, to the extent  
18 practicable, from persons awaiting or serving sentences or being held in custody  
19 pending appeal;

20 (2) Defendant shall be afforded reasonable opportunity for private consultation with  
21 counsel;

22 (3) On order of a court of the United States or on request of an attorney for the

01 Government, the person in charge of the corrections facility in which defendant is  
02 confined shall deliver the defendant to a United States Marshal for the purpose of  
03 an appearance in connection with a court proceeding; and

- 04 (4) The clerk shall direct copies of this Order to counsel for the United States, to  
05 counsel for the defendant, to the United States Marshal, and to the United States  
06 Pretrial Services Officer.

07 DATED this 13th day of April, 2006.
